

Speaker Evaluation

**Recent Advances in Infrared Imaging of the Prefrontal Cortex:
Application to Differential Diagnoses that are Mediated by the
Prefrontal Cortex**

Speaker:
Jeff Carmen, PhD.

Date:
11/15/19

1. The speaker(s) held your attention. yes ___ no ___
2. The speaker(s) were knowledgeable and well prepared. yes ___ no ___
3. The speaker(s) emphasized new concepts. yes ___ no ___
4. The information you learned will be helpful. yes ___ no ___
5. The information provided met your personal learning objectives. yes ___ no ___
6. Handouts were effective. yes ___ no ___ N/A ___
7. Do you have any suggested future topics? If so, please list:

Comments:

Go to our website, www.biofeedbacktexas.org, to find additional information about BST.

Speaker Evaluation

Using the QEEG to Enhance Performance

Speaker:

Stuart Donaldson, Ph.D

Date:

11/15/19

1. The speaker(s) held your attention. yes ___ no ___
2. The speaker(s) were knowledgeable and well prepared. yes ___ no ___
3. The speaker(s) emphasized new concepts. yes ___ no ___
4. The information you learned will be helpful. yes ___ no ___
5. The information provided met your personal learning objectives. yes ___ no ___
6. Handouts were effective. yes ___ no ___ N/A ___
7. Do you have any suggested future topics? If so, please list:

Comments:
